

# Steri49 Plus - Floor Cleaner

Available in:  
5Ltr

**ALCOHOL  
FREE**

## **Steri49 Plus+ Floor Cleaner – Lemon Dilute 1 : 100**

A product that has been developed from the original Steri49, giving a wider range of cleaning properties that can be used on a greater number of floor surfaces to provide an excellent finish on the treated surfaces, either from buffing or mopping.

Steri49 Plus completes a number of tasks with one treatment, it will clean and deodorise in one operation, it will kill bacteria, and it will leave a pleasant lemon aroma to complement the finished area.

With a dilution rate of 1:100 Steri49 Plus is not only a very efficient floor cleaner but it provides a cost effective solution to all floor cleaning applications.
